State Archive of the Russian Federation = Государственный архив Российской Федерации (ГАРФ)  
(Gosudarstvennyi Arkhiv Rossiiskoi Federazii-GARF), Moscow, Russia

Fond A-423 Opis 1 Delo 120

Translated by Tatiana Drozdova (Russia)

The GARF archive in Moscow contains a large collection of documents related to the exodus of thousands of Mennonites from Russia. The following list includes information on hundreds of Mennonite families who wanted to emigrate from Russia. The list covers 1926, although there are a few requests dated 1925 and 1927.

Information added by Tatiana is in Red. Blue indicates that no GM database information could be found on that person or family. These are also indicated in grey highlighting. Questionable GM assignments are in green.

[Tatiana's original Excel file](#) included calculated years of birth and the source page number.
