

Lists of Russian Mennonites Wishing to Leave the USSR via Dutch Aid Organizations

Stadsarchief Amsterdam, Fond 1118 Files 164 & 2752

Translated by Henry Fast (Winnipeg, Canada) and Glenn H. Penner (Mennonite Heritage Archives, Winnipeg, Canada) (gpenner@uoguelph.ca)

During the famine in Ukraine in the early 1920s the Mennonites were helped by Dutch aid organizations. Their activities are discussed in two articles by Ad van de Staaij*. They also made several lists of those who wished to leave the USSR. These two lists are not dated but are likely from 1922.

I would like to thank Ad van de Staaij for sending files of correspondence and lists.
