

Chortitza Mennonite Settlement Household Heads: 1816

Dnipro, Ukraine, State Archives DADO Fond 134 Opis 1 Delo 491

**Translated by Wilhelm Friesen (Detmold, Germany) and
Glenn H Penner (Winnipeg, Manitoba) (gpenner@uoguelph.ca)**

This document contains a listing of all heads of households in the Chortitza settlement according to the official Russian census (Revision List) of 1816. It also includes the number of males and females in each household. This list can be compared to the [May](#) and [October](#), 1816 lists. The Russian, Cyrillic, list has been translated into German, and then into English. Original transliteration of village and personal names have been converted into their more commonly used spellings. Entries where there is a problem, such as missing data or unreadable entries are highlighted in yellow. Original comments were translated and then placed in quotes in the last column. Our comments are not in quotes.

Note that this list also includes information on those who were living in city of Ekaterinoslav. Kronsgarten, which was in a different administrative district, was not included. Although the village of Schoeneberg was founded in 1816, it is not included in this list.
