

Kleefeld, Molotschna Residents – 1912

***Mennonitische Rundschau* June 12, 1912, pages
6 and 14**

**Extracted and Translated by Glenn H. Penner
(gpenner@uoguelph.ca)**

Johann Abrahams of Margenau, Molotschna, wrote many interesting letters to *Die Mennonitische Rundschau*. In the following he lists all of the household heads of the village for 1912 and also lists the previous owners of that residence. This list can be compared the list of village founders (1854), the 1857-58 & 1861-62 schools lists and the 1862 voters list, all found [here](#).

All names appear unchanged from the original. My comments and insertions are in square brackets.
