

Kronsgarten, Chortitza Mennonite Settlement Census for 1806

The village of Kronsgarten was unusual in that it was outside of the boundaries of the Chortitza Mennonite Settlement and much nearer several German settlements such as Josephsthal and Jamburg. As a result it was frequently excluded in census and village lists for the Chortitza settlement. This census compliments the [1801](#) and [1816](#) (1) census lists.

I have included both the original names, as transcribed from Russian to German, as well as standardized names. I have also included a column of numbers for individuals as found in the GRANDMA database (2).

At this point it is unknown as to why two lists were constructed.

For more information on Kronsgarten see the article in [GAMEO](#), the online Mennonite encyclopedia.
