

# Molotschna Mennonite Settlement Census for October 1805

## State Archives of Dnipropetrovsk Oblast - DADnO (ДАДНО), Dnipro, Ukraine Fond 134 Opis 1 Delo 138

Translated by Glenn H Penner ([gpenner@uoguelph.ca](mailto:gpenner@uoguelph.ca))

The following census of the Molotschna settlement was concluded on the 10<sup>th</sup> of December 1805 and accounts for 1,532 Mennonites: 785 males and 747 females.

All surnames and first names have been standardized to help with searching this census. For example, the surname Derksen and the first name Dirk is used, the names Christina and Justina have been combined into Christina, Dever has been converted into Fehr, etc.

The Molotschna Mennonite colony was still being settled when this census was taken. Nearly all the 1803-1805 immigrants spent time in the Chortitza colony before moving onto their properties in the Molotschna. As one can see, the census shows that several families already had their properties assigned while still living in the Chortitza colony.

If known, the full names of stepchildren, relatives and others living with the family, are given in the comments column.

The occupations have not been translated in the table. Approximate translations are:

Leinweber = Linen weaver	Schmidt = Smith (usually a blacksmith)	Uhrmacher = Watchmaker
Mauer = Bricklayer/Mason	Schneider = Tailor	Weber = Weaver
Mueller = Miller	Schuster = Shoemaker	Zimmermann = Carpenter
Roehrboehrer = Pipe borer	Tischler = furniture/cabinet maker	

*Printing Note: This document is formatted for 8½ x 14 paper.*
