

# **Rosenort, Molotschna Mennonite Settlement Census**

## **September 1926**

**State Archives of Zaporizhzhya Oblast**  
**Fond 1415, Inventory 1, File 4**

**Translated by Tim Janzen with assistance from Natalia Prikhodko**

In May 2017 Janet Walther visited the State Archives of Zaporizhzhya Oblast and was given permission by Dr. Alexander Tedeyev to photograph the pages found in Fond 1514, Inventory 1, File 4. The documents are written in Russian. I translated the documents with the assistance of Natalia Prikhodko who helped translate some of the words and names in Russian that were challenging to read. There are a total of 12 pages in the file. Pages 1 to 7 and page 10 in the file are a census for the village of Rosenort in the Molotschna Mennonite Settlement. There are 381 people listed in the census. The census lists the names and ages of the people in the census and in most cases gives the genealogical relationships for the people in each family.

The census appears to have been compiled in September 1926. It must have been compiled prior to September 28, 1926 because Jacob Rogalsky (b. 28 Sep 1926) (Grandma #341393) and Katharina Dueck (b. 7 Oct 1926) (Grandma #1374627) are not listed in the census. In the translation I have added the Grandma numbers for the people found in the census. I added a column where I entered the homestead number for a family in the census if I was able to infer it from the homestead number for the head of household's parents or grandparents as found in the 1874 Molotschna School Registers. I also added a column in the translation for assorted comments about specific entries in the census. There are a few families listed in the census who do not appear to have been of Mennonite ancestry. I did not add those families to the Grandma database.

The full transcription, including property information, is available to [download as an Excel file](#).
