4 August 1850 Revision List

State Archive of the Zaporizhzhе Region, Zaporizhzhе, Ukraine

Glenn Penner, Winnipeg, Manitoba (gpenner@uoguelph.ca)

The imperial Russian government conducted 10 censuses between 1719 and 1858. Each one was known as a Revision List. See the June 2024 issue of the Mennonite Historian (<https://www.mennonitehistorian.ca/50.1.MHMar24.pdf>) for more information on Mennonites in Russian revision lists.

First and last names have been standardized to reflect how they would have been recorded in German. My comments are in square brackets.
