State Archives of Zaporizhzhya Oblast Fond 1415, Inventory 1, File 4, page 12 contains a list of 44 people who were residing in the village of Wernersdorf in the Molotschna Mennonite Settlement on 30 September 1926. This list appears to have been a portion of a complete census for Wernersdorf that was compiled at that time. Unfortunately, the other pages of the Wernersdorf census were not included in this file. This page probably includes about 10% of all of the people who were living in Wernersdorf in 1926. In the translation I have added the Grandma numbers for the people found in the census. I also added a column in the translation for a comment about one entry in the census.
